## Independent Practitioner's Review Engagement Report

#### To the Board of Directors of Boundary Trails Health Centre Foundation Inc.

We have reviewed the accompanying financial statements of Boundary Trails Health Centre Foundation Inc. that comprise the statement of financial position as at March 31, 2020, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Boundary Trails Health Centre Foundation Inc. as at March 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### March 31, 2020

| 1. | Significant Accounting Policies |  |
|----|---------------------------------|--|
|    | Purpose of the Organization     | Boundary Trails Health Centre Foundation Inc. ("the foundation") is a charitable organization whose mission is to raise and distribute funds to facilitate the provision of health care for the people who are in the Boundary Trails Health Centre service area, beyond the care which would otherwise be provided.   |
|    |                                 | The foundation, incorporated under the laws of Manitoba, is a registered charity and, as such, is exempt from income tax and may issue income tax receipts to donors.  |
|    | Basis of Accounting             | The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations.  |
|    | Use of Estimates                | The preparation of financial statements in accordance with<br>Canadian accounting standards for not-for-profit organizations<br>requires management to make estimates and assumptions<br>that affect the reported amounts of assets, liabilities and the<br>disclosure of contingent assets and liabilities at the date of<br>the financial statements, and the reported amounts of<br>revenues and expenses during the reporting period. Actual<br>results could differ from those estimates and may have an<br>impact on future periods. |
|    | Revenue Recognition             | The foundation follows the deferral method of accounting for contributions.  |
|    |                                 | Restricted contributions are recognized as revenue in the year<br>in which the related expenses are incurred. Unrestricted<br>contributions are recognized as revenue when received or<br>receivable if the amount to be received can be reasonably<br>estimated and collection is reasonably assured. Endowment<br>contributions are recognized as direct increases in net assets.  |
|    |                                 | Unrestricted investment income is recognized as revenue<br>when earned as there are no externally imposed restrictions<br>on investment income.  |

determining their fair value, contributed services are not

recognized in the financial statements.

### March 31, 2020

#### 1. Significant Accounting Policies (continued)

| Financial Instruments            | Financial instruments are recorded at fair value when<br>acquired or issued. In subsequent periods, equities traded in<br>an active market and derivatives are reported at fair value,<br>with any unrealized gains and losses reported in operations,<br>other than financial instruments related to endowment funds.<br>In addition, all bonds and guaranteed investment certificates<br>have been designated to be in the fair value category, with<br>gains and losses reported in operations, other than financial<br>instruments related to endowment funds. Changes in fair<br>value of financial instruments related to the endowment fund<br>are recorded directly in net assets. All other financial<br>instruments are reported at cost or amortized cost less<br>impairment, if applicable. Financial assets are tested for<br>impairment when changes in circumstances indicate the asset<br>could be impaired. Transaction costs on the acquisition, sale<br>or issue of financial instruments are expensed for those items<br>remeasured at fair value at each statement of financial<br>position date and charged to the financial instrument for<br>those measured at amortized cost. |
|----------------------------------|--|
| Tangible Capital Assets          | It is the foundation's policy to expense tangible capital assets in the year of acquisition.   |
| Contributed Materials & Services | Contributed materials and services which are used in the<br>normal course of the foundation's operations and would<br>otherwise have been purchased are recorded at their fair<br>value at the date of contribution if fair value can be<br>reasonably estimated. Because of the difficulty of   |

#### 2. Cash

#### 6. Internally Restricted Fund

The board of directors has internally restricted surplus of \$215,000 for equipment purchases and \$260,000 for program funds. These internally restricted amounts are invested in guaranteed investment certificates and are not available for other purposes without approval of the board of directors.

#### March 31, 2020

#### 7. Financial Instruments

#### Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The foundation is exposed to credit risk resulting from the possibility that a customer or counterparty to a financial instrument defaults on their financial obligations; if there is a concentration of transactions carried out with the same counterparty; or of financial obligations which have similar economic characteristics such that they could be similarly affected by changes in economic conditions. The foundation's financial instruments that are exposed to concentrations of credit risk relate primarily to its accounts receivable.

There have not been any changes in these risks from the prior year.

#### 8. Subsequent events

During the year end a global pandemic disrupted economic activities and supply chains. As a result of the global pandemic, the foundation subsequent to year end decided to cancel its two largest fundraiser's. The net proceeds of these fundraiser's was approximately \$134,000 in 2020. As a result of COVID-19 the foundation is expecting to see a significant decrease in donations for the year ended 2021.
